

## 12-18 September 2022

### More Young Entrepreneurs in Silk and Honey (MOYESH) Programme

MOYESH programme was among 50 initiatives that were invited to participate in a high profile, national agriculture, and industry products exhibition jointly organized by the Ethiopian ministries of Agriculture; Industry; Transport and Logistics; Urban Development and Infrastructure; and Irrigation and Lowlands. Senior government officials highlighted the efforts the government has made to enhance the linkages between industry and agriculture.

### Innovation in the development context of eastern Africa

BioInnovate Africa recently released a documentary that demonstrates the importance of innovation and the development of innovation ecosystems in transforming societies into modern economies. With a focus on BioInnovate Africa's model of innovation ecosystem development, it emphasizes the need for collaborations between academia, government, and industry actors.
