We were pleased to host a delegation from @SwissDevCoop, led by Dr Mirjam Macchi Howell, Policy Advisor 2030 Agenda & Research, & Dr Daniel Valenotti, Regional Program Officer, Thematic Cooperation Division, who paid us a visit and interacted with R&D activities at the Centre.

Three years ago, #EastAfrica suffered the worst locust infestation in more than half a century, ruining farms and threatening the food supply of tens of millions of people. We spoke to Dr @SwissEmbassyKE on what causes locust invasions and ways to control swarms.

Embassy of Switzerland in Nairobi
@SwissEmbassyKE

Did you know that insects are a very rich source of animal and human food?

Switzerland is funding @SysCom in Kenya, Peru and India! Dear comparing organic and conventional agriculture in partnership with @fmlorg, @ICPE, @coop.ch, @FutureForAll.

Congratulations @elson18! And to the team... @icipe @dfg_public
